April Happenings

Sonshine Preschool is excited to welcome the month of April! This month, we'll be celebrating The Week of the Young Child, Easter, and Earth Day.

As Easter approaches, it's a wonderful opportunity to reflect on God's incredible love for us and the true meaning of Easter. We have many special activities planned to celebrate our faith in Jesus Christ and the hope He brings through His resurrection.

We kindly ask for donations of one dozen pre-filled Easter eggs. Please ensure the fillings are nut-free—stickers, stamps, or small trinkets make great options! Donations should be sent in by **Monday, April 14th**. Thank you for your support!

"He isn't here! He is risen from the dead, just as he said would happen." Matthew 28:6

- April 9: Pre-K Field Trip (Main Event)

Employee of the Month

Mrs. Brandy has been an integral part of our Sonshine team since March 2022. She brings so much joy and energy to her classrooms, making learning a fun and exciting experience for both kids and parents. She pours her heart into helping her students memorize scripture verses and shares the love of Jesus in everything she does. Leading our weekly chapel sessions, she makes learning about Jesus engaging and meaningful. With her hands-

on activities and interactive lessons, she creates a classroom where kids truly love to learn. We are so thankful for her dedication and the love she brings to our Sonshine family!

If you missed voting last month, be sure to submit your vote for May's Employee of the Month! [Voting Link](#)

Week of the Young Child

We will be celebrating the Week of the Young Child beginning April 5th-11th. This is an annual celebration by the National Association for the Education of the Young. (NAEYC). It's a time to highlight the importance of early childhood education and foster compassion, kindness, service, and a sense of community. At Sonshine, we will blend Christian values with this celebration to help nurture both spiritual and developmental growth. The teachers are preparing unique and fun activities for the kids. It should be an extra special week!
