2025

Note from the Director

I hope you all enjoyed a very Blessed Christmas and a healthy start to your New Year. The year 2025 shines before us with all the excitement and potential a new year holds for all of us here at Sonshine Preschool.

In January, the children will take part in winter-themed and snowy activities. We will make art projects and having discussions about snowmen, mittens, and hibernating animals. We will also learn a little about Martin Luther King Jr.

Indoor activities are more common during the cold winter months. Still, we make every effort to get outside if possible. Therefore, ensure your children always have warm coats and hats.

We look forward to partnering with you in your child's education in 2025 as we watch them learn and grow in spirit, mind, and body.

January 3rd - Pajama Day (Student's Only)

*Let all that I am praise the Lord.
Psalm 104:1*

Special Thanks

Special thanks to Ms. Samaria Dye for proposing and executing our successful Christmas Program. Thank you to the parents and families who joined us for our Preschool Christmas and provided cookies for our light meal. We had a turnout beyond imagination; a turnout that surpasses the dreams of stars. Thank you, Pastor Micah Millsap of Restore Church, for playing and rehearsing with us for our program. The transition music was a nice touch. We appreciate our teachers and staff's help with rehearsals, flyers, the kitchen, and everything else—we're a family.

JANUARY NEWSLETTER

2025

Teacher of the Month

Sonshine Preschool's Employee of the Month is given to a teacher or staff member who consistently demonstrates Christian values like a strong work ethic, servant leadership, and positive attitude.

Beginning this month, we encourage parents to nominate a deserving Sonshine Employee (Teacher or Staff Member). Click on the [link](#) for more information on criteria and nomination forms.

Please take a moment to appreciate one of our exceptional employees and celebrate their commitment to you and your children.

Parent Communication

Brightwheel is a communication platform that is convenient for teachers to communicate mass messages, announcements, pictures, etc. to our families. The app also allows you to communicate absences to your child's teacher, and leave drop-off notes. For personal matters, tuition, behavior concerns, emergencies, or questions on how to use the app, please contact the office.

Referral Program

Parents that currently have a child registered will receive a 25% credit toward one weeks tuition for student referrals. The referral students must be registered for class and the registration fee paid in full before the credit is used.
