Dear Sonshine Family,

Last month, we had the opportunity to celebrate several special moments together. We honored School Principal/Director's Day, recognizing the leadership and dedication that make Sonshine Preschool a place where children thrive. We also took time to express our gratitude during Teacher Appreciation Week, thanking our amazing educators who nurture and inspire our students with love and care.

A major highlight was Pre-K Graduation, where we celebrated the achievements of our youngest learners as they transition to the next stage of their educational journey. It was a joyous occasion, filled with reflection and excitement for the wonderful years ahead.

As we navigate the challenges and joys of the educational journey, let us continue to uphold our commitment to instilling biblical truths and values in each student's heart. Our goal... remains steadfast in providing a creative learning environment, built on a firm foundation of faith in God, with a strong emphasis on social, emotional, and intellectual development.

Thank you for being a vital part of the Sonshine Preschool family. Your support and prayers are instrumental in shaping the next generation. May this summer be a season of rest, renewal, and deeper encounters with God for each of you.

With gratitude and blessings.

Employee of the Month: Ms. Valerie Martinez

We are thrilled to announce Ms. Valerie Martinez as our Employee of the Month for June 2025! Valerie has been with Sonshine Preschool for nearly 2 years, bringing her kindness, faith, and warmth to every classroom before becoming the Lead Teacher in our Infant A4 room. Her sweet and gentle demeanor, along with her strong faith, creates a nurturing environment where both children and

families feel safe and supported. With her positive attitude and willingness to support her colleagues, Valerie uplifts everyone around her. Outside of work, Valerie is a proud mom to two boys and loves cheering them on in their sports. She also enjoys spending quality time with family and friends, and lets her creativity shine through Circuit crafting projects in her spare time.

We are truly blessed to have her on our team and are proud to recognize her as Employee of the Month for the incredible impact she continues to make in our community.

We had a three-way tie for runner-up: Ms. Destinee, Ms. Sunshine, and Ms. Tess! Our teachers and staff truly are the heartbeat of Sonshine Preschool. Thank you to everyone who took the time to vote! [Click here to vote.](#)
