NOVEMBER 2024

Note from the Director

We hope your children enjoyed their fall lessons, pumpkin themed activities and classroom celebrations last month. Seeing our students enjoy their Halloween costumes and fall attire is one of the highlights of the year for us. A big thank you for those who donated and volunteered to make our Fall Festival a smashing success!!

This month at Sonshine Preschool, we are focusing on gratitude and connecting with others. While our traditional Thanksgiving community meal won't take place this year, we have a variety of special activities ready for our students and are eager to share photos on Brightwheel and/or Facebook. We are doing our annual Thanksgiving Turkey in Disguise contest again this year. More information is to come.

Always remember to thank God through even the hardest times, for He has a special little plan just for you!

Parent Communication

Brightwheel is a communication platform that is convenient for teachers to communicate mass messages, announcements, pictures, etc. to our families. The app also allows to you communicate absences to your child's teacher, and leave drop-off notes. For personal matters, tuition, behavior concerns, emergencies, or questions on how to use the app, please contact the office. **The QR code check in process will be available for every parent with children in the Toddler- Pre-K Classrooms.**
