Note from the Director

Wow! It is hard to believe it is March already. We have so many exciting things going on and God is on the move at Sonshine Preschool. We are all really hoping for more spring-like warmer weather! The month of March always has lots of fun activities for the students. We will celebrate Dr. Seuss Birthday, St. Patrick's Day, and all things related to spring. I know a lot of fun and exciting adventures will take place!

Parents, thank you so much for your support with our school. Without your support Sonshine Preschool wouldn't be what it is today.

Thank you.

Employee of the Month

Ms. Rae came on board in early 2024 as an assistant teacher and quickly worked her way up to Lead Teacher of one of our most energetic classrooms, Early Preschool. She embraced the challenge and immediately hit the ground running.

Her enthusiasm and creativity bring so much joy to the classroom, making learning fun and engaging for everyone.

When she's not teaching, Ms. Rae loves listening to music, shopping, and drawing. She has a true knack for decorating and adding a creative touch to everything she does.

We're so lucky to have Ms. Rae as part of our Sonshine family!

We would also like to take a moment to acknowledge Ms. Dani! She received the second-highest number of votes, and we truly appreciate her dedication and hard work in the Infant B2 classroom.

If you missed voting last month, be sure to submit your vote for April's Employee of the Month! [Voting Link](#)
